As healthcare professionals, we are all committed to provide equitable care to all patients. In this Grand Rounds, Brittany Dahlen and Dr. Samreen Vora, co-Founders of Shifting Frames Consulting, will share tools that will help you “show up” for health equity and create inclusive workplaces. Join us to expand your toolbox as a healthcare professional.

LEARNING OBJECTIVES

Identify three bias interruption skills applicable to your practice

Demonstrate practical skills of giving and receiving feedback regarding bias interruption

Create an action plan for the integration of bias interruption into your practice
